CROPPED DOGS 2018 TRIAL PERIOD

The Midland Dobermann Club committee have agreed to support the Kennel Club's decision to allow cropped dogs into the precincts of Breed Club Shows for a trial period.

UNDER THE SPECTATOR DOG RULE DOBERMANNS ONLY.

Owners will be asked to complete an entry form at the show. All details of the dog and a declaration the dog is healthy will be signed for.

Owners will be requested to keep their dogs under strict control at all times. The MDC retain the discretion to refuse entry of any dog if it appears unhealthy or is badly controlled.

A charge will be payable on the day for each dog.

We respectfully request owners to advise the Show Manager of their intentions prior to the Show date.

Dogs entered as Spectator Dogs will not be covered by The MDC Insurance.

The above policy will remain active until END OF 2018, when the policy will be revised.

Extract From The Kennel Club Statement.

It has been stated that a significant number of dogs are being imported into the UK from countries where both ear cropping and tail docking remain legal, and that these dogs are being used to create a larger and more diverse gene pool. The Committee was of the view that club shows present an opportunity to allow other breed enthusiasts to see these dogs and to assess their suitability for future use in breeding programmes:-

MDC Committee

In previous years the Kennel Club have persisted in their policy to refuse Cropped Dogs into shows and the Schedule definition reflects this. The wording will remain in place until the Kennel Clubs decision on the outcome of this trial period.

JANET FORSHAW (Jazin)

We got our first Dobermann in 1981, then in 1986 a male followed from Thelma Toole (Chornytan). In 1988 another bitch from Jean Leyland (Bondend). We had our first litter in 1992 of which three were shown, Daisy was joint top puppy with a Hotlzburg puppy owned by Fiona Holt. All three gained CC's and RCC's and one of them sired a Champion, Nightstorm Porthos bred by Keith Baldwin. From our last litter of which there were only two, one became a Champion owned by Judith Balshaw, Janzins Jamelia.

ELAINE TURNBULL (Elagram)

I owned my first Dobermann, Ch Upfolds Admiral Blackfoot, back in 1974, which I campaigned to become a show champion. We mated him to a bitch from the Royaltain Kennels, whose litter produced several CC winners and our first home bred Champion, Elaroban As Good As Gold. I was lucky enough to show Fred and Julia Currow Tavey dogs. I first awarded CC's in Dobermanns back in 1985. Since the 80's, I have owned various breeds and now give CC's in those respective breeds, these include: Giant Schnauzers and German Wirehaired Pointers.

I would like to thank the Midland Dobermann Club for inviting me to judge at their show. I am thoroughly looking forward to it and I hope everyone has an enjoyable day.

Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations.
Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. 30. No refunds will be given at this show.
31. Dogs with cropped ears are not permitted to attend KC Licenced events (including NFC and spectator dogs)

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

PHOTOGRAPHY AND VIDEO RIGHTS The Organisers would like to bring the regulation on photography and filming to the attention of exhibitors, trade stands, press and visitors. It is a condition of all those attending the event that no filming or other form of recording may be taken or made at the venue without express written permission of the Organisers. The taking of photographs in the show venue for sale or reward is strictly prohibited except with the written permission of the Organisers. Press accredited photographers are provided with permission to take photographs ONLY for use in newspapers, magazines and internet sites- this is for news purposes only. There is no objection to the general public taking photographs of general views of the show, provided that these are for private use. Specific dogs maybe photographed only with the approval of the exhibitor. No photography or filming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of classes or after the Challenge certificate is awarded. Filming and flash photography is allowed from outside the ring at all times unless the operation of the camera is actually affecting exhibits. However, if a powerful flash unit is used or it is clear that exhibits are being affected, a ring steward or the judge is empowered to stop the person concerned.
